Subject: St. Marys Public Information Centre - Haul Route Evaluation Study

Councillor McCarthy has just been notified by John Moroz, Vice President and General Manager of St. Marys Cement that St. Marys is planning on holding the 1st of 4 public information meetings dealing with their Haul Route Study for the proposed quarry. This first meeting is scheduled to take place on:

Thursday, June 21st, 2007
5:00 - 8:00 p.m.
Royal Botanical Gardens - BURLINGTON

Notification of this meeting will be posted in the Flamborough Review and Halton Compass on June 15th. The Councillor questioned why this meeting was being held at a Burlington facility and Mr. Moroz's response was that this location could provide better accommodations??????????

A copy of this notification is attached as provided by St. Marys. Councillor McCarthy would like to encourage your attendance and participation in what will undoubtedly be St. Marys attempt to advance their application to establish a quarry in Flamborough.

**PLEASE ATTEND AND MAKE YOUR VOICE HEARD
ON THIS CRITICAL ISSUE**

Rita D'Ortenzio
Assistant to Councillor Margaret McCarthy
