**RE: A CARLISLE SOLUTION**

Please find enclosed a Public Notice that was posted on the City website on May 12<sup>th</sup>. These changes were possible due to your participation. It is my hope that these changes will be to your satisfaction and that improvements will be noticed.

As indicated a Carlisle Water Section has been established on the City's website which can be found at [www.hamilton.ca/water](http://www.hamilton.ca/water). The Carlisle section is located on the right-hand side.

If you would like to receive future updates from my office through e-mail, please send me a quick note and I will have your e-mail address added to my distribution list for this issue.

Again thank you for taking the time to attend this meeting and for providing your input. This is an issue that affects us all.
